Page 6

A. That's correct.

Q. Can you tell me what brought you to that location?

A. Yes. Your Honor, prior to arriving on location, my partner and I heard several gunshots in the area of 53rd and Grays.

Q. And when you arrived at that location, is there anyone that you recognize in court today that was present at that date, time, and location?

A. Yes, the defendant Mr. Desmond with the black Nike sweater.

MS. FERTEL: If the record could reflect that the witness identified the defendant by description as well as point of the finger.

BY MS. FERTEL:

Q. Now, what, if anything, did you observe about the defendant when you first came into contact with him?

A. Your Honor, he was coming from the rear of the house onto an elevated porch area and he was walking outside to the porch when we first saw him.

Q. And what, if anything, occurred at that time?

MR. DEMARCO: Your Honor, respectfully, I ask that the record reflect

[1] that the officer has notes that he is

[2] referring to at the bar of the court.

[3] THE COURT: I just ask when you

[4] refer to them, you indicate you are doing so.

[5] THE WITNESS: Yes.

[6] THE COURT: I understand why he

[7] would do that for various numbers and whatnot.

[8] Okay.

[9] BY MS. FERTEL:

[10] Q. And what, if anything, occurred at that point after you saw this defendant walking up to that elevated porch?

[13] A. The defendant pulled a silver handgun out of his waist area and fired one time and in my partner and my direction.

A. I can't specifically say, ma'am, but it was pointed at my partner.

Q. And you mentioned he fired --

THE COURT: At your partner or you and your partner?

THE WITNESS: More towards my partner but I am right next to my partner so --

BY MS. FERTEL:

Q. And after he fired that shot at your partner, what happened next?

A. My partner returned fire two times, striking the defendant in the leg. At which point he fell to the ground. As he was falling, he fired a few more shots. I don't know the exact amount.

Q. And at that time after the defendant continued to fire and fell to the ground, what happened next?

A. My partner and I went up the stairs that were attached to the deck. At which point the defendant was sliding his body back into the house with the gun still pointed in our direction. At which point when he got into the kitchen area, he kicked the

[1] door shut. Immediately I kicked the door back open

[2] and he shut it again and I kicked it open again.

[3] This went on two or three more times.

[4] Q. And ultimately were you able to place the defendant into custody?

[6] A. Yes.

[7] Q. And at the time that you finally were able to place the defendant into custody, were you able to recover a firearm at that point?

[10] A. Not at that point, no.

[11] Q. Did you notice any other people in the location at that time?

[13] A. Yes. There was another male, Joseph Curt, who was observed running out of the property which I was actually able to get into custody. After getting him in custody, I come back inside, get Mr. Desmond into custody. At which point I observe a sack on the kitchen table which was filled with live FCCs or live rounds, .22 caliber, and also some marijuana on the counter.

[1] A. He was.  
[2] Q. And for what?  
[3] A. For obstruction of justice and tampering with  
[4] evidence and for the firearm.  
[5] Q. When you say for the firearm, what was he  
[6] alleged to have done?  
[7] A. Take the firearm from that location and put it  
[8] in that grill.  
[9] MS. FERTEL: I don't have anything  
[10] further at this time.  
[11]  
[12] ----  
[13] CROSS-EXAMINATION  
[14] ----  
[15]  
[16] BY MR. DEMARCO:  
[17] Q. The other defendant that was just mentioned,  
[18] you interviewed him when this occurred; correct?  
[19] A. I didn't, no.  
[20] Q. Who did?  
[21] A. Other detective, yes.  
[22] Q. Are you ultimately the one that arrested him?  
[23] A. Yes.  
[24] Q. And when you told Her Honor that you arrested  
[25] him for obstructing and for tampering, et cetera,

Page 18

[1] Q. And as part of the your investigation, did you  
[2] arrive at that scene?  
[3] A. Yes.  
[4] Q. And did you recover any ballistic evidence  
[5] from that scene?  
[6] A. Yes.  
[7] Q. And can you tell me what, if anything, you  
[8] recovered?  
[9] A. Twenty-two -- I mean it was sixteen .22  
[10] caliber shell casings that was recovered from the  
[11] rear of that property. It was also two .45 caliber  
[12] shell casings that was recovered from the rear of  
[13] that property.  
[14] Q. And did you ultimately recover a .22 caliber  
[15] firearm from that property?  
[16] A. It was recovered -- yes, we did. It was  
[17] recovered from the next door neighbor's porch from  
[18] 5320. It was on a grill. It was covered by a  
[19] grill cover. So it was in between the actual grill  
[20] and the cover.  
[21] Q. And were you also -- did you also encounter a  
[22] defendant by the name of Joseph Curt?  
[23] A. Yes.  
[24] Q. And was Joseph Curt subsequently placed under  
[25] arrest?

Page 19

[1] that was because you found out that hid this  
[2] weapon; correct?  
[3] A. Yes.  
[4] Q. And you arrested him for possessing that  
[5] weapon; correct?  
[6] A. For hiding the weapon, yes.  
[7] Q. And possessing it as well; correct?  
[8] A. I would imagine, yes.  
[9] Q. I am not asking you imagine. I am asking  
[10] what you charged him with?  
[11] A. I charged him with the obstruction and  
[12] actually I have to take a look to see all the  
[13] charges that he was charged with. He was charged  
[14] with several crimes.  
[15] Q. Didn't you tell Her Honor that you arrested  
[16] for possession of a weapon?  
[17] A. Obstruction of justice and firearm.  
[18] Q. So and you found out that he also lied to you  
[19] guys about having that weapon; correct?  
[20] A. Yes.  
[21] Q. And he lied about what he did with that  
[22] weapon; correct?  
[23] A. He lied about having a weapon.  
[24] Q. Do you know whose weapon that is?  
[25] A. I would actually have to look at the file or

Page 20

Page 21

Page 22

[1] actually look at the -- I don't know.

[2] **MS. FERTEL:** Nothing further, Your  
[3] Honor.

[4] **THE COURT:** Very good.

[5] Commonwealth, are you finished with  
[6] this witness?

[7] **MS. FERTEL:** I am finished with this  
[8] one witness, Your Honor. At this time I have  
[9] no additional live testimony.

[10] I would mark as Commonwealth Exhibit  
[11] 1 the defendant's FBI extract indicating a  
[12] conviction for assault of a police officer  
[13] which would make him ineligible to possess a  
[14] firearm under 6105.

[15] And, Your Honor, with that marked  
[16] and moved, the Commonwealth would rest for  
[17] purposes of the preliminary hearing.

[18] **THE COURT:** Defense rests?

[19] **MR. DEMARCO:** Yes, Your Honor.

[20] **THE COURT:** No argument at this  
[21] time.

[22] **MR. DEMARCO:** Just brief argument  
[23] with regards to obviously there is a technical  
[24] hearing and I have seen thousands of these but  
[25] the issue is that the bulk of these charges

[1] are based upon an assault on Officer Wright  
[2] who failed to testify today. And although the  
[3] Officer Schmidt is here to testify as to his  
[4] observations, it goes to the fact that the  
[5] actual victim upon who these charges are  
[6] levied never testified. There is no evidence  
[7] from that victim directly to this Court.

[8] **THE COURT:** Right.

[9] **MR. DEMARCO:** Furthermore, judge, I  
[10] think you have also seen enough to know that  
[11] there is an issue with regards to the  
[12] resisting arrest, to wit -- I don't know where  
[13] in the testimony that there was actually a  
[14] resist. I mean I don't know.

[15] **THE COURT:** Well, the slamming of  
[16] the door.

[17] **MR. DEMARCO:** The slamming of the  
[18] door.

[19] **THE COURT:** And it wasn't just once.  
[20] It was a number of times.

[21] **MR. DEMARCO:** That's true but I  
[22] would submit to you that's the retreat after  
[23] being shot at. But anyway, I will leave it to  
[24] the Court's discretion.

[25] **THE COURT:** I think at this level

Page 23

Page 24

[1] the resisting is there. I did think it  
[2] through.

[3] In terms of the aggravated assault  
[4] and Wright, I think that the police officer,  
[5] he clearly said that he fired and he pointed  
[6] the gun at us, more so at my partner, but it  
[7] was pointed at us. I was standing right next  
[8] to him. So I think there is enough here.  
[9] There is definitely enough here so I am going  
[10] to hold it for court on all charges.

[11] You will be arraigned on July 12th,  
[12] year 2016, in 1104, 11:00 a.m.

[13] Please understand should you secure  
[14] your release and you are required to appear in  
[15] the future at a hearing and you fail to  
[16] appear, the Commonwealth can ask for the  
[17] issuance of a bench warrant seeking your  
[18] arrest or they can go forward with your matter  
[19] without you being present. So it's really  
[20] important that you understand that you need to  
[21] appear.

[22] **THE DEFENDANT:** Did I have a right to  
[23] say anything?

[24] **THE COURT:** Not at this level. It's  
[25] only an evidentiary hearing to figure out if

[1] there are -- there was enough evidence to hold  
[2] the charges over.

[3] **THE COURT:** Listen to me.

[4] **MR. DEMARCO:** I would advice you on  
[5] the record not to say anything.

[6] **THE COURT:** You will get a chance to  
[7] tell your version at trial if that's how you  
[8] choose to handle your matter, dispose of your  
[9] matter, but it was the Commonwealth's burden  
[10] today. That's why you are not speaking.  
[11] Okay.

On 5-3-16 at 11:14pm P/O Wright #4059 and P/O Schmidt #6680 were working the 6pm to 2am tour duty in full uniform when they heard gunshots in the area of 53rd and Grays. Their investigation led them to the rear of the 5322 Grays Ave where they encountered a male later identified as Abernathy Maurice Desmond PP#1133596. The male raised a firearm at officers and fired at P/O Wright #4059, P/O Wright #4059 fired his service weapon twice striking the male once in the thigh. The male retreated into the rear door of 5322 Grays Ave and shut the door with his feet. The male fired approx. four to five shots in the air as he fell through the door into 5322 Grays Avenue. Officers attempted several times to make entry and the male (Abernathy Desmond) kept kicking the door closed. Officers were eventually able to gain entry and take the male into custody. He was transported to Presbyterian E.R. where he was listed in stable condition. There were spent FCC's located in the rear of 5322 Grays Avenue. 5322 Grays Ave was held as a crime scene.

The owner (Curt Joseph) of the house was present and transported to SWDD where he was interviewed. He stated in summary that he was inside his house when his neighbor, Abernathy Maurice Desmond PP#1133596, entered through the rear door. The owner began preparing marijuana for them to smoke when Desmond went out back again. The witness states he then heard at least three gunshots and saw Desmond on his kitchen floor kicking the rear door shut. The witness got scared and ran out of the front of the house where he was stopped by police.

A search warrant was obtained and executed at 5322 Grays Avenue by members of the Southwest Detective Division and the Crime Scene Unit. (16) 22 caliber FCC's were recovered from the rear of 5322 Grays Avenue as well as (1) 22 caliber FCC. Blood samples were collected and photos were taken. (29) 22 caliber live rounds were recovered as well as a small amount of marijuana (one clear plastic ziplock packet containing a green waxy substance alleged marijuana) (one folded paper towel containing a small amount of green waxy substance). A 22 caliber Taurus handgun was recovered from the porch of 5322 Grays Avenue on a Barbeque grill. The firearm was lost to white live rounds (one of which was chambered).

The owner of 5322 Grays Avenue was re-interviewed after his Miranda warnings were given and waived. The owner (Curt Joseph) stated that after the shooter (Abernathy Desmond) entered the property, he observed a firearm slide out of his hand onto the floor. Defendant Joseph then stated that he picked up the firearm and ran out the front door. Defendant Joseph stated after running out the property he hid the firearm on the porch of 5322 Grays Avenue in a barbecue grill which was covered with a tarp. Defendant Joseph stated he didn't know he was running from police but thought he was running from "kids" when he hid the firearm. Defendant Joseph stated he lied to police because he was scared. After hiding the firearm defendant Joseph was stopped by police.

Defendant Desmond's clothing was taken from the hospital and placed on property receipts and submitted for GSR testing. (3) 22 caliber live rounds were recovered from the defendant's pants pocket. (1) 22 caliber live round and (1) projectile was recovered from the defendant's clothing. The FCC and projectile recovered is of the same caliber and appears to have separated from the other.

Defendant Joseph was transported to the SWDD where he was interviewed. He stated in summary that he was inside his house when his neighbor, Abernathy Maurice Desmond PP#1133596, entered through the rear door. The owner began preparing marijuana for them to smoke when Desmond went out back again. The witness states he then heard at least three gunshots and saw Desmond on his kitchen floor kicking the rear door shut. The witness got scared and ran out of the front of the house where he was stopped by police.

Neighborhood surveys were conducted and attempts to locate surveillance cameras were made.  
 Desmond's DNA was obtained.  
 Desmond's clothes were collected and submitted for GSR testing.  
 Desmond's cell phone taken.  
 Firearm was submitted for DNA and fingerprint analyses.  
 Joseph's DNA was obtained.  
 CCI obtained.  
 Radio was obtained.  
 (1) Clearing containing a projectile was recovered by police from the medical staff.  
 Narcotics tested and proven positive for the presence of marijuana base.

1. Q. My name is Det Seidel #907, what brings you to SWDD tonight?

2. A. On 5/3/16 I was assigned 12P8 with P/O Devlin #1953, working 8p-4a, uniform in marked vehicle and at approx 11:12pm we responded to R/C of Officer in foot pursuit 5400 Grays with a male firing shots at them. We arrived on location and P/O Schmidt #6680 had come over the air of in the alley 54<sup>th</sup> and Grays right off Lindbergh Ave. So we entered the alley and heard the commotion and went in the rear door and observed a B/M later identified as Desmond Abernathy dob 1/25/66, 5'6" Grays hair, laying on the kitchen floor with an apparent gunshot wound to the groin area. The male was yelling and cursing at police and didn't want to leave by the alley. He kept reaching for his leg area and resisted being handcuffed. We tried to get him to the hospital, and take him out and he kept actively resisting being taken out and being cuffed. We carried him out the rear and down the steps into the RPC and took him to Presby Hospital. While at the hospital, P/O Devlin recovered 4 live 22 caliber rounds from the Deft's jacket pocket and while hospital staff was removing his clothes a 45cal projectile that went through his leg, fell out of his pants. We remained at the hospital until we got relief and then collected the Deft's clothing and took it to SWDD where all the items were turned over to Detectives.

Q: Did the male say anything to you?

A: Just kept saying he was innocent. I didn't shoot at the police.

Q: Did anyone identify the Deft?

A: Yes, P/O Schmidt said that he was the guy that was shooting at them

Q- I am Det. Maurizio#604. We are investigating the police shooting at 5332 Grays ave. tell me in your own words what happened?

A- My partner, P/O Wright#4059, and I were working as P/Os in full uniform when we were in the area of 5800 Grays ave. We both what appeared to be 8 gunshots coming from the area of 54<sup>th</sup> and Grays ave. I notified police radio that we were stating over in the area of 54<sup>th</sup> and Grays. We arrived at 5400 Grays and heard about 6 more gunshots in the immediate area. At which point, I drove over to the area of 54<sup>th</sup> and Lindbergh thinking the gunshots were coming from Bartram. I spoke to a passerby on the 5400 block of Lindbergh and he stated that the gunshots were coming from 5300 block area. We continued to survey the area, when police radio notified us that a 911 call came in at 5309 Grays ave. for gunshots. Multiple units were in the area. I told P/O Wright that there was a rear alley to 5300 Grays off of Lindbergh blvd. The alley is like an L shape, and I parked the police vehicle in the entrance way of the alley, and we walked in the alley. The alley way opened up into a large driveway for the rear of 5300 Grays and 5300 Lindbergh. We approached on foot and we observed a light come on on the 5300 block of Grays side, the rear of. We then observed a male step onto an elevated porch, the rear of 5322 Grays ave. P/O Wright engaged the male and announced ourselves as police officers and P/O Wright ordered the male to show us his hands. P/O Wright was closer to the male then I was. I was about 20 feet from P/O Wright. I was close to 5324 Grays. At which point P/O Wright ordered the male to show us his hands, the male pulled out a silver handgun. We both ordered the male to drop the gun. The male then fired a shot in the direction of P/O Wright. P/O Wright returned fire twice, striking the male in his leg. The male retreated back into the house, falling back into the house, fired 4-5 more shots into the air. He fell back into the kitchen area of the house and shut the back door. P/O Wright and I took the stairs of the deck and I kicked open the back door, we observed the male laying by the refrigerator but we were unable to see his hands. The male kicked the door closed again and I kicked open the door, and he kicked it closed again, and I kicked it open again. The male kicked it closed again. P/O Wright took position on the right side of the door and there is a little walkway alongside the kitchen on the deck and I looked in to the property and I noticed the front door was open. I told responding officers to look for the open front door that that was the house we were at. I kicked open

## IRREFUTABLE EVIDENCE

matny, Desmond M (MR # 450975149)

Encounter Date: 05/03/2016

Find Results (continued)

COMPARISON: Radiograph of the right femur performed the same evening

FINDINGS:

Again seen is subcutaneous emphysema and retained blastic shrapnel in the right thigh. The comminuted fracture of the right mid femoral diaphysis is in largely unchanged alignment. There is lateral displacement of the dominant distal fracture fragment by one shaft width. There is approximately 1 cm of overriding of the dominant fracture fragments.

CT LOWER EXTREMITY ANGIO W AND WO IV CONTRAST (Preliminary result)

Result time: 05/04/16 00:44:44

Preliminary result by McGinn, Christopher, MD (05/04/16 00:44:44)

Impression:

1. Comminuted, ballistic induced fracture of the mid femoral shaft with numerous retained ballistic fragments about the fracture site.
2. No acute arterial injury. Ill-defined areas of hyperattenuation along the bullet tract that could represent venous bleeding or slow oozing from small, perforating muscular arteries.
3. Small superficial hematoma in the right anterior thigh at site of bullet entry/exit.
4. Superficial penetrating injury to the left anterior thigh without vascular injury or hematoma.

Narrative:

History: Trauma.

Technique: CT angiography of the lower extremities was performed. Pre-contrast images followed by arterial phase CTA was performed of the lower extremities. Finally, delayed post-contrast scanning was performed.

Contrast: 100 ml Isovue 370 IV

Comparison: None.

POST PROCESSING: 3D advanced post-processing was performed by the interpreting physician using an independent workstation utilizing a combination of MIP and MPR techniques to better evaluate anatomy and disease process. 3D rendering was performed with physician participation and supervision.

FINDINGS:

There is a comminuted, ballistic induced fracture through the right femoral midshaft with one full shaft width lateral displacement of the main distal fracture fragment. Paperclips mark the site of penetrating trauma. There are several retained ballistic fragments along the path within the right lateral thigh. The SFA and profunda femoris are intact with three-vessel runoff on the right. No large hematoma or evidence of active arterial contrast extravasation. A few ill-defined areas of hyperattenuation along the path of the bullet path likely reflect venous bleeding or slow oozing from small, muscular arterial branches. A small superficial hematoma is located in the anterior mid thigh (series 303, image 322).

There is a superficial penetrating injury along the left anterior thigh with minimal muscular involvement. No acute vascular injury on the left. Three-vessel runoff.

Visualized portions of the abdomen and pelvis are unremarkable.
